Dear Stu:

On behalf of the Board of Directors of the Maryland Association of Chamber of Commerce Executives, I sincerely thank you for your membership in MACCE over the past year.

As the professional development association for our colleagues across Maryland, MACCE provides countless opportunities for us to share and learn from each other. Involvement in MACCE is an integral part of our professional development and can have a profound impact on our effectiveness as a leader in this fast-paced business. The insight that we gain from one another to improve our own respective chambers is truly remarkable. Membership in MACCE affords exclusive benefits such as:

- Access to numerous networking opportunities with other chamber professionals
- Outstanding professional development offerings for yourself as an executive as well as your staff and volunteer board members.
- Enhanced credibility for your chamber as well as yourself as a leader in your field

Enclosed is an invoice for your membership in MACCE for 2015. Please note that MACCE dues are totally separate from the Maryland Chamber's Chamber Action Network (CAN). The annual dues rate for MACCE is only \$100 a year – please be sure to renew your membership investment between now and January 31, 2015.

Our next meeting will be held on **Monday, January 26, 2015, at the Governor Calvert House in Annapolis**. This is our annual legislative program focusing on the Maryland General Assembly. We encourage you to invite your legislative committee chairman, government affairs staff and other chamber leaders to attend this special program. Top legislative leaders and the lobbyists of the Maryland Chamber will speak on legislative proposals facing the 2015 General Assembly.

The 2015 MACCE Officers extend best wishes for a healthy and happy holiday season. May the New Year bring you personal and professional fulfillment. We look forward to seeing you at the next MACCE meeting.

Warm wishes,

Melanie Pursel, 2015 MACCE President
