

# MACCE

*Maryland Association of Chamber of Commerce Executives*

---

## MACCE Sponsorship Proposal

***Is your business or organization looking for a unique opportunity to get in front of statewide decision makers, including chamber execs as well as their business leader board members, which are Owners, CEOs and Executives across the state of Maryland?***

MACCE Sponsorship is set annually at \$2000. Your assets would include:

- Logo and website on all MACCE agendas and meeting announcements.
- Your logo, description and web link on the MACCE website [www.mdchamberexecutives.org](http://www.mdchamberexecutives.org)
- Ability to address the group at 4 annual meetings and 1 staff development event about your products and services (a representative can set up a display booth (table) at the meetings or prepare handouts).
- Ability to send an electronic flyer or message to the email list.
- Direct access to the “decision makers” for Chambers across the State - this is probably the most valuable asset as it would take an entire sales force on the road all year to cover that kind of territory to build those kinds of relationships.

Your sponsorship would help MACCE fund professional development programs and scholarships for Chamber Executives and staff across the state of Maryland and establish your business as a supporter of the development and growth of Maryland Chambers.

### MACCE Meeting Sponsorship- \$500 per meeting

- Logo and website on ONE MACCE agendas and meeting announcement of your choice (meetings held January, April, July, September and November) .
- Ability to address the group at 1 annual meeting about your products and services (a representative can set up a display booth (table) at the meeting or prepare handouts).

For more information about these limited opportunities, please contact Melanie Pursel, MACCE President at 410-213-0144 extension 102 or [melanie@oceancity.org](mailto:melanie@oceancity.org). or the MD Chamber at [cjohnston@mdchamber.org](mailto:cjohnston@mdchamber.org)
